Discovering the joys of girl-on-girl sex

Lezzie Lust

It was about two years ago when I had my first gay experience. It really wasn't love at first sight or anything like that. I was still in school and I had this professor who was in her early forties but she was very hip to the ways of the world. And a lot of us girls would go to her with our problems.

Sherry was about five-foot-seven and sort of matronly looking. When she wore make-up she was very pretty, and when she didn't she looked like someone's mother.

I was one of those girls who went to school to get an education and find a husband. I still had the old-school ideas that women should make nice wives and mothers, but I was getting out of it and finding myself. This was the reason I had the fight with my boyfriend and we broke up.

It was a Friday night and I had to spend the weekend by myself since most of the kids left. Saturday night I was walking around the library when I ran into Sherry. She asked what I was doing spending Saturday night without a date. After trying not to, I broke down and started to blurt out about guys and how I could learn to hate them.

Sherry was very sympathetic and let me cry on her shoulder like she was my mom, and I really felt better after I let it out. All the while she was telling me everything would be alright. She asked if I would like to come over for a drink. Thinking I should have refused because of her time I had already taken, I accepted just for the fact that I really didn't want to be alone.

Sherry lived in a very nice apartment overlooking the campus. She went to the kitchen to make some drinks and I made myself comfortable. When she returned, she sat next to me on the sofa and I started to feel a little strange. The drink was very strong but I chugged it down and then she made me another. Again she sat next to me and when the drinks started to take effect, I felt very weak. I can hold my liquor pretty well but I guess with all that was going on and all the stress I was under, I just sort of gave in and let the alcohol do its magic.

Sherry just sat there listening. Every so often she would stroke my hair and tell me I was right and my boyfriend would see it. I told her I doubted it and I was going to give up on guys. All of a sudden, a silence fell on the room. Sherry asked if I had ever shared my bed with another girl. I was shocked for a moment then I told her that I never had but the thought was nothing new to me. Yet that was all it was, just a thought.

Sherry started to explain how a woman would naturally know how to please another woman because it was like doing it to themselves. I began to think that she seemed to know a lot about the subject for a layperson. Whatever, I started to feel very relaxed but I also felt a need to pee. I asked where the bathroom was and as I started to rise, my legs began to give out. Sherry caught me and told me she had better help.

I was a little worried; two drinks usually didn't have this kind of effect on me and here I was making a fool of myself. When we got to the bathroom I thought I would have to make it on my own but Sherry had me hold onto the sink. She then helped pull my jeans and panties down and helped me to sit on the toilet. I felt better when the liquid I was holding was finally let out. I had forgotten that Sherry was still standing there and I felt like a helpless babe.

After I was finished, Sherry asked—or rather insisted—that I stay, telling me I was in no condition to be on my own. I agreed, not feeling that well and kind of in a daze. She told me she would run a nice hot bath for me and I could relax and forget my problems for a while. The truth of the matter was I had already forgotten them but the thought of a nice soak sounded great.

Sherry helped me into the bedroom and told me to get undressed and put

on one of her robes. After changing, I found my way back to the bathroom and sat there, talking to Sherry until my bath was ready. Then she helped me off with the robe and told me to get into the tub. I felt very funny standing there in nothing but a smile, but it seemed more and more like she was a mother was giving me a bath.

When I got in she left the room. Then, to my surprise, she returned wearing a long black robe which was very pretty. She asked if I would like to have my back done; actually it was more like she told me to lean forward while she washed it. I guess I should have objected, telling her that I was a big girl and I could wash myself, but it seemed as if everything was going so nice, almost like a dream. I was just listening to every word she said.

Sherry complimented me on the shape I kept my body in, telling me that it was important for a young girl to be healthy and clean. The bath was very hot and it was making me feel kind of weak. I sort of leaned back and Sherry kept on rubbing me with this oversized sponge. Her washing continued and soon she was doing my neck and working her way down to my breasts. I felt like liquid in this tub while I knew I should be saying something. I just kept quiet and Sherry did all of the talking, telling me that girls should not be so upset over guys, or maybe I just was not ready for men and I should still be looked after by someone like her.

Her rubbing kept up with her commentary and she seemed to be paying a lot of attention to my breasts and especially my nipples, which were starting to harden and stick out. My breath started to come faster as she slowly worked her way down to my stomach. Sherry then leaned over the tub and I had a view of her breasts. Her nipples were very erect, so much so that they looked as if they might even hurt. She avoided that most sensitive area between my legs and started to work on my legs themselves, which are one of my better features because of their length. She had me lie back, raising one leg at a time out of the tub, straight up so that she could make sure my toes were clean. I felt as if I had returned back to my childhood but my emotions were playing games with me because I was becoming very turned on and I did not want this treatment to end.

Sherry started working on my thighs. Each time she would rub towards my pussy she would move back the other way, but the tip of the sponge would just touch me in my center of ecstasy. As this went on I started to, without even thinking about it, spread my legs a little and each time she would move down a little closer. I began to feel very strange; I did not know it was possible to feel this way from another woman but I was becoming very excited and Sherry knew what she was doing to me.

"Does my student feel nice?" she asked, and all I could do was shake my head and hope she would continue. I could feel the lips of my pussy start to open as Sherry was paying more attention to that area. I thought I would pass out with excitement. She stopped working on just that area and started to move down my legs again, giving me time to catch my breath. She then pulled the plug, telling me it was time for bed.

I stood up, feeling very weak; Sherry helped me out of the tub and started to towel me off. It was one of those big bath towels that are very soft, but she was rubbing very hard and my body started to take on a red glow. Again she was paying a lot of attention to my breasts.

Keeping me wrapped in the towel, Sherry led me to the bedroom. Her bed is one of those big plush ones. She gave me a pair of white knee socks and a t-shirt (that was three sizes too big for me) to sleep in. When I had put them on and pulled up the socks, I stood up to model. She told me that I looked like a little schoolgirl that I re-

ally was in this outfit and then gave me a big hug. It felt very strange and yet, terribly exciting to be held by a woman.

Sherry told me to get under the covers. Then she gave me a kiss on the lips and said she was going to read for a while before she came to bed. I felt her tongue dart out when she kissed me and when I did not pull away she continued tasting my lips. Then she stopped, turned off the lights and left the room. I figured I might have some difficulty falling asleep, trying to give some thought to what was going on but I soon drifted off into a deep slumber.

It seemed as if I was dreaming. Sometime later I felt something was touching me, gently cupping my breasts and pressing ever so lightly on my pussy. The dream became a reality when I felt my left leg being parted so that those wondering hands could play in a wider area. When I opened my eyes, the room was dark but I could make out Sherry's form as she was lying next to me. She had removed her robe and was stark naked.

Her mouth was over my breasts and her caresses had made the nipples protrude. She took a nipple between her teeth and gently started to pull on it, the feeling sent shivers down my spine and I felt my legs moving further apart by themselves. Sherry moved her head down until she was at the base of my stomach and she started to run her tongue along the area just above my clit. Her fingers started to tug on-my thighs as if she was pulling the skin away from my pussy. This was causing me to become very excited and I could feel myself becoming very wet and hot.

We moved around the bed until Sherry was between my legs, her head just inches away from me, a place no other person had ever been before. Most of the guys I dated were not into oral sex on women and were not too eager to get it either, yet it did not bother me. She started by licking my thighs down to my knees, and the way I was lying she could run her tongue up the back of my legs, causing me to break out in goosebumps. Very gently she spread my lower lips and ran her tongue up one side and down the other. Then she touched my clit and my body went into spasms as I closed my legs, holding her there.

Her tempo increased as I went through my orgasm and then she slowed up, letting me linger in the feeling before she would start the tempo up again and I could feel the heat rise in my pussy. I started to caress my own breasts as another orgasm was taking over my body. I think I fell in love right there. Sherry had me under a spell. All I could think about was the feeling that kept coming over me.

We spent the rest of that night in each other's arms and as soon as I moved out of my room, I moved in with Sherry. Our relationship has grown over the last couple of years. I have finished school and am on my way to getting my master's degree. She still treats me like her little girl and I've done a few things to enhance our fantasy. I have bought a lot of school girl outfits and have also shaved off my pubes. The night I presented my hairless pussy to Sherry was almost as good as our first night.

When we are out, we act very much like everyone else but behind closed doors we do what we feel will please us and not hurt anyone. A few months ago we went to visit some friends of Sherry's who live in the city. Sherry told me on the way there that her friends were also gay and she thought it might be a fun experience for me. Lilly and Chris were about the same age as Sherry. They too, were in great shape although Lilly was a little heavier, which she said came with age. We all went out for a nice dinner and then we were taken to a club that Chris and Lilly belonged to.

It was like one of those classy nightclubs you'd see in the movies. The

only difference was that there were only women in there. We got a table and ordered drinks before I could see what was going on. The couples on the floor were very good dancers and the women at the bar were very well dressed. When my eyes got more adjusted to the dark, I could make out a great deal of touching on the floor. There was also a couple at the next table who were kissing and one of them had her hand under the dress of the other. My companions were too busy catching up with each other to pay any attention to my wandering eye. I was so fascinated that I didn't even hear when Chris asked me to dance.

Sherry gave my leg a squeeze and I was brought back to paying attention. At first I was a little nervous about dancing with another woman, seeing how Sherry had been the only woman I had ever been with, but Chris spotted my problem and very gently took me in her arms and held me as we danced. I started to feel very excited being held by this woman: We both were not wearing any bra and our breasts were rubbing each other. I could feel that familiar excitement as this woman was turning me on.

I looked over at Sherry and she and Lilly were still talking over old times, but I could see by the expression on her face that Lilly was doing more than just talking. Chris started to rub my lower back and my butt, which had no panties to interfere with. I felt sort of wicked with this woman touching me in the same way that only Sherry did. Soon Chris had hiked up my dress up so that she might see my bare ass. The dance floor was very dark and no one could see us as Chris turned her face towards mine and started kissing me. My mouth opened to let her tongue explore and dart in and out as I did the same. We were lost in each other until Sherry tapped me on the shoulder and asked if she might cut in. Once in Sherry's arms, I became very excited and started to become wet between my legs. When the song was over we sat back down. I was sitting between Sherry and Lilly; we were just sitting and having drinks and laughing.

Lilly had me promise that when we returned to the apartment I would show her my shaven hot spot and asked if she might have a touch just to hold her over till we got home. I looked at Sherry for approval and she hiked my dress up a little so that Lilly might see what a good girl I was. I felt a charge go through me as Lilly patted my lower area. She asked Sherry if I was always this moist. I felt a little embarrassed but Sherry gave me a hug and told Lilly that I was a little doll.

We decided that it was time to leave and when we got back, Lilly went to fix a nightcap for us. I was told that I would have to go to bed right after my drink and let the grown-ups talk. By this time I was used to being treated like a child and it only helped to turn me on even more. Like I said, this treatment was only behind closed doors; not all the time, but just for fun.

Lilly took me to the bedroom and watched as I stripped off my dress and put on a pair of baby dolls. She told me to sit on the edge of the bed and then brought over a chair and had me leave the panties off so that she might taste my "little girl's hole," as she called it. I quickly did what she asked and in return was afforded one of the best orgasms of my life. We were joined a little later by Sherry and Chris who had also tasted each other's pleasures. We had spent the rest of the visit sightseeing and talking over current events and bringing each other to the heights of new pleasure.

I don't know if I will spend the rest of my life being a lesbian, but for right now it seems to be the way I find most pleasure. Both Sherry and I see guys sometimes and we have had them make love to us with the other one getting involved. A lot of guys get very excited by this and we all have a great time and there are no hang-ups.

what it takes to get an A in class

It was late August and the first day of my freshman year at the university and I was a nervous wreck! All of these new people and new teachers, I had no idea where to go! Somehow I managed to get to my first class right after the bell rang. I guess that's not a great first impression to have on a teacher, but it was the only one I could've made. I took a seat by the front seeing as it was the only one left. My Psych 101 teacher was Ms. Reynolds and might I say DAMN!!!!! Such an amazing looking woman almost made me cream myself right then and there! For the remaining 50 mintues of the class, I probably should have been paying attention to the quiz she had given us, on our first day, no less, but all I seemed to do was to gaze at her beautiful rack on a nice athletic frame. Sweet, soft skin with deep brown eyes and perfect blonde hair. She wasn't that tall, around five foot six, I'd say.

The rest of the day I managed to get to all my other classes right on time, or should I say right in time seeing as how it was almost always about 30 seconds before each tardy bell rang. I couldn't pay attention to anything anyone was saying, because the entire day I had Ms. Reynolds's nice ass floating around in my head. Finally the last bell rang and it seemed like every student ran into the quad at the same time. I walked slowly so that when I passed Ms. Reynolds's class I was able to enjoy the view. I found a nice table to sit at and await my prize.

I suppose now would be a good time if any to explain exactly what I look like. Well I have light skin with no marks or blemishes, jet black eyes and shoulder length hair that I keep straightened. I think I have soft full lips, a firm round ass, perky breasts with half-doller sized nipples. And not that you need to know right now, I like to keep my privates clean-shaven, but I do let it go for weeks at a time if I'm got getting it on with someone. I have always felt a deep admiration of the female form, never really been attracted to guys. I had many girlfriends, but nothing too serious – just having fun.

I sat there and began to doodle in my notebook when suddenly Ms. Reynolds walked over and asked to speak with me. I couldn't understand exactly what she wanted, but I would soon find out. Ms. Reynolds looked me over a good while she began to speak in a sexy voice with a pussy wetting accent. "Marla I pulled your records and found that you had extremly high math scores, so I can't find a reason as to why you failed my pop quiz." I looked down at the ground then back up at her and finally spoke, "I'm sorry Ms. Reynolds, I guess I was just a little distracted. I promise to try harder." Then she asked,

We jumped in and raced to her house. It took about fifteen mintues to get there and during the entire ride she had her hand down my skirt ...

"If you don't mind me asking, what did you find so interesting that you couldn't focus on your quiz?"

"Well Ms. Reynolds if you must know, it was you." I answered. "Me??? Marla are you saying I somehow distracted you?" I blushed then inched a little closer to her and whispered, "Yes Ms. Reynolds that's exactly what I'm saying, but it wasn't just you that distracted me, it was also your voice and perfect body." A sweet smile came over her face and she put her arm around my waist pulling me closer, " If that's the case I suppose you need some after school tutorials and maybe some help on the weekends." Looking at her with big pleading eyes that just screamed take me, I agreed.

I nodded, then quickly got up and headed home after an exciting and confusing first day. During the following days, my eyes watched time tick away slowly, painfully. Tick tick tick was all I heard. Not one word said by any of my instructors seemed to reach my ears, it was like every other sound was blocked out except for the ticking of the clock. My heart pounded with each stolen glance, when finally the release bell rang. I bolted out of my last Friday class and into the faculty's parking garage waiting for Ms. Reynolds. I saw her walking slowly towards me with a tiny bounce in her step like she was excited or something.

Finally she reached where I was waiting and we walked to her car. We jumped in and raced to her house. It took about fifteen mintues to get there and during the entire ride she had her hand down my skirt gently rubbing my clit through my panties. I was so wet and my pussy was throbbing! We got to her front door and kissed passionately, rubbing our hands up and down each other's bodies. She unlocked the door and opened it in one swift motion we were in. Immediately, she pulled me towards the bedroom and pushed me onto her huge bed. She ripped the shirt from my body, and tore my skirt off, pulling my panties off in less than five seconds.

Ms. Reynolds began to kiss down my neck and chest with her supple and gentle lips. She climbed on the bed and straddled my stomach, slid her blouse and bra off and then bent over to kiss me once more. I grabbed her by the hips and switched postions with her and took her jeans off then pulled her sweet smelling thong off her with my teeth. She rolled gently underneath me and reached into her nightstand and pulled out what appeared to be a black strap-on. I looked wide-eyed at it and asked her what it was for.

"I want you to fuck me with this strap-on." she said in a sexy tone. I blushed, "but I don't know how to use it."

She made me stand up at the side of the bed and she sat on the edge. I lifted each leg as she pulled it up my lower body and adjusted the waisteband around me. Then she put a little vibrating part inside me and turned it on, I couldn't believe how good it felt. Wanting to reciprocate the affection, I turned her around, bent her over the edge of the bed and lifted her hips into the air a bit. I bent down and licked her shining pussy, flicking my tongue in and out to give her a tease of what was bount to come. I pulled her butt cheeks aprt a little and snaked my tongue to her puckered hole. I flicked my tongue a couple times and then a quick rub of my finger and she squirmed and purred,

Then I shoved the fake dick inside of her, slowly sliding it in and out then picking up the pace. I held

her wrists down and pushed it in as far it would go, making her moan loudly. I pulled it out and pushed it in with a fierce lust building in the depths of my pussy, I felt like I was going to cum everywhere, but I held it in so that she may cum first. Her moans became louder and her breaths shorter as her hips rose to meet the movements of the fake cock that was attached to me.

Seeing her like this turned me on so much that I began cumming with a loud scream of pleasure. I pushed it in one last time while I was orgasming and apparently that sent her over the edge too, because she began to squirt everywhere. I took it out of her and bent down to lick off the remaining juices. She tasted as sweet as strawberries. The yummy taste of her pussy caused me great wetness so I slid the strap-on off of me and layed down. Thankfully she got the picture of what I was aiming for.

She bit her way down my body, teasing my nipples with soft gentle bites and tongue circles. I took a deep breath and focused on how amazing this felt. Lowering herself to where she became level with my glistening clit, she began kissing up my inner thighs, then stopping when she reached my pussy. She parted my legs and admired what she sought. Even from my perspective, I could see my mound glistening in the lamplight. Looking back up at me, Ms. Reynolds smiled and gave my labia a loving little nibble, then took my entire pussy into her mouth and put her tongue to work.

The warmth of her tongue felt like heaven as she moved it in and out of me gently. I moaned softly from this sweet pleasure; she hummed into my pussy causing little vibrations which made me take deeper breaths. She took her tongue out to pleasure my sensitive little clit and while my clit became hard she slid one finger into me, then two, then three before I moaned at that wonderful feeling. Her fingers picked up the pace and were soon being shoved in and out of my pussy with a quicking motion.

With her tongue flicking my clit and her fingers buried deep inside me, there was no way I could hold on much longer. I came all over her hand and chin, breathing heavily and shaking. She lapped at my juices like a hungry little kitty craving it's mother's milk.

We both sat up and pulled each other close and hugged, pressing our hot, moist bodies against each other. Backing away, she pushed me gently back onto my elbows, grabbed my ankle and lifted my leg. As she slid her body towards me, she pulled me closer and our soaked pussies met in the scissors position. We grinded against each other's pussies and moaned softly in each other's ears.

We sat up and our breasts began to rub against each other matching the movements of our pussies. We had one final orgasm together and as our juices mixed we kissed gently. Both of us were satisfied and breathing heavy. Later on we fell asleep in each other's arms only to wake up several hours later. We took a quick shower together and got dressed. She drove me home and for the entire ride we sat silently holding hands. We reached the end of my street and as I got out we kissed one last time.

I walked up to my house, unlocked the door, turned to wave goodbye and blew her a kiss. I went to my bedroom. I layed on my bed and looked up at my ceiling then thought to myself as I drifted to sleep what a wonderful first week, wonder what the rest of the semester will hold. All A's in Psych, I hope.

Her moans became louder and her breaths shorter as her hips rose to meet the movements of the fake cock that was attached to me.

BLAIR-NTS-05

I had to work late in the city that night. I hated that most of the time, but tonight the train was empty. Just me. Good. I had a long way to go, the rock and rattle of the cars was soothing, and I soon fell asleep.

I dreamed about my ex-boyfriend. We had just broken up, I was 19 and not ready to commit, while Brian was mid-twenties and ready for a wife. I told him to come back in a few years, and that was the last I'd seen of him.

But in my dream we were together again—or maybe we hadn't broken up yet—and Brian was slowly unbuttoning my blouse. He pushed it off my shoulders to reveal my bare breasts. He kissed my nipples with a soft, tender touch of his lips, and I moaned. He was really great in bed, especially when it came to my tits. Sometimes I think he liked them more than he liked me, or maybe it just seemed that way. Sometimes he played with my breasts for hours.

I would come time after time while he sucked and licked my nipples until they were stiff peaks. And it's true—my nipples get really, really long when they're sucked for a long time. Sometimes they're still standing up the next day. Now Brian took one nipple in his teeth and worried it a bit, making me tingle all over. He also played with the other one, pressing the nipple down into my tit-flesh, rolling the nubbin between thumb and finger. I could feel my pussy getting wet! I wanted him – I wanted his mouth on my tits, on my pussy....

HELPING HAND

Suddenly, with a jolt, my eyes flew open. I was back in the train, and I was no longer alone. Across the aisle sat a guy, maybe in his mid-twenties. He was dark-haired, with brown-yellow eyes – like a wolf's. He'd been watching me as I slept. And he had a raging hard-on. He smiled when he saw my eyes widen. That was quite some tent his thingie was making! His expression was friendly, and I could see the same longing there that I felt.

I licked my lips. I hadn't had sex since Brian left, and that

dream had left me totally hot. I looked down and saw how big my nipples were; you could see them through my T-shirt. And my pussy...it was just streaming.

What the heck, right? I smiled and crossed the aisle to sit down by him. I didn't say a word, but I slid my hand across to his crotch. He moaned a little.

He reached over and pinched one of my nipples, then he tugged it hard. It felt really good, and he could tell because my nipples stood up even harder than before. He smiled as he slipped a hand under my short skirt. I opened my legs wide to help him out, and he dipped a finger inside my panties. Ummm, his hand was so warm against my shaved mound!

I unzipped him, allowing his thingie to spring free. What an incredibly thick one it was, too! Brian had an average-sized one, and that was just fine, but this guy...wow! I closed my eyes, imagining trying to put my mouth around that thing, or feeling it ramming its way into my pussy.

I spit on my fingers to lube them up, then started stroking his big thingie, rubbing my hand up and down its length. Just about then, his finger found my wet slit and slid right in. Then he stuck a second and a third finger in me, while his thumb pressed down on my clit.

My fingers slipped down to his thing's flared head and played with it. Then I moved lower and squeezed his balls. He groaned, and his breath seemed to catch.

MY FINGERS SLIPPED DOWN TO HIS THING'S FLARED HEAD AND PLAYED WITH IT. THEN I MOVED LOWER AND SQUEEZED HIS BALLS. HE GROANED, AND HIS BREATH SEEMED TO CATCH.

His fingers were moving fast in me now, really pumping my pussy. His thumb made little circles on my clit, and I could feel the tingling inside me getting more intense. I started to come, then forced myself to breathe out slowly. That slowed my orgasm down so I could enjoy it longer. I love being fingerfucked!

I pumped my fist up and down on his thingie, which seemed to be getting even thicker now. I jerked him harder, and then pressed my fingernail down into his pee-slit. He moaned and shifted, thrusting his hips higher. Gooey pre-cum was dripping out of the hole, so

BLAIR-NTS-12

I slathered it on my fingers and rubbed his shaft until it was practically humming.

His fingers were really humping me now, and my clit was burning with passion. This time I couldn't stop it – a huge orgasm ripped through me, and I cried out in release. I was so glad no one else was around, be

HE WAS BREATHING FASTER NOW. I KNEW IT WOULDN'T BE TOO LONG BEFORE HE CAME, AND THAT EXCITED ME. I'D DONE A FEW HAND-JOBS ON BRIAN, BUT HE HAD PREFERRED TO PUT HIS THINGIE IN MY MOUTH OR MY PUSSY.

cause they would have really heard me when I came. He kept rubbing my clit and fucking my pussy, and I came again. I felt all my juices just streaming out of my pussy and over his hand.

He was breathing faster now. I knew it wouldn't be too long before he came, and that excited me. I'd done a few hand-jobs on Brian, but he had preferred to put his thingie in my mouth or my pussy.

Determined to push him over the edge, I grabbed this guy's rod and squeezed it hard. He gasped, and I felt a tremor in his balls that shot all the way through his shaft. I started stroking him hard then, squeezing the purple head of his thing, pinching it, moving my hand all the way down to his balls, then back up to the blazing tip.

"Aaaaaaaaa," he yelled, and then suddenly his thingie bucked against my hand. A thick stream of cum squirted against the seats in front of us. I kept stroking him, milking him for every drop he had. This guy was filled, too! Jet after jet spurted out, splashing against the seat, my hand, everything. It's a good thing his pee-hole hadn't been aimed at me – my clothes would have been drenched!

Finally, limp, we lay back in the seats. Our hands, no longer working on each other's private parts, found other things to do. He licked my juices off his fingers while I sucked his jism off my hand. The train slowed for the next stop; he stuffed that big thing back in his pants, kissed me, then hopped up and out the door without a backward glance.

Now I don't mind riding the late train home – I never quite know who'll be there, as hungry for a little fun as I am!

I'm comfortable with being naked and sexual. But siometimes I forget to close the bedroom curtains and the door. So I've probably given the couple next door a thrill or three. Today, the wife has come by to give me a piece of her mind – or someting else!

DARYL & LUCILA & JENNY APPACH

Put three sexy women together on a beautiful warm afternoon and things will surely heat up. That's exactly what happened with these fine babes. They steamed up the photo shoot so much we all stripped down and jumped into the pool. By the time we dried off, it was time to get back to the sex. It's a hot, sweaty job, but as they say..."Someone's..."
